*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Director of Communications

ENG-M 8- *1115*  
DATE: 21 OCT 1958

FROM : Chief, Engineering Staff, OC

SUBJECT: Engineering Monthly Report - *Sept 58*

1. Transmitted herewith is the Engineering Monthly Report for the month of September, 1958.

2. The more significant aspects of each Branches' activities are summarized at the beginning of each section of this report.

3. The Competitive Evaluation Panels within OC-E were convened during the month and the evaluations are in process. The following Panels were set up:

- a. Electronic Engineers, GS-7 through GS-12.
- b. Electronic Technician, GS-6 through GS-11.
- c. Wire Equipment Technician, GS-6 through GS-11.
- d. Supply Officers/Assistant, GS-7 through GS-12.
- e. "Miscellaneous" Group, GS-7 through GS-12 (i. e., draftsman, deisel operators, mechanical engineers, "communication specialists"). The personnel rated in each category are only those under the career cognizance of this Staff.
